*Are you ready
for the adventure?*

Manatees Experience

Take a breathtaking boat tour on The Biosphere Reserve of Sian Ka'an, perhaps the most astonishing part of the Yucatan peninsula. On the way, you will see a wide range of flora and fauna, including migratory birds. You may even spot manatees swimming to the surface to get some air. Could you imagine being that close to these beautiful creatures?

We'll float through the beautiful canals of Muyil lagoon and enjoy some tasty snacks in one of the most beautiful and virgin beaches at Boca Paila.

FOR ALL AGES

Cenotes Experience

Discover the different types of cenotes around Tulum and enjoy the experience in the heart of the Mayan jungle! Have fun in these natural pools created millions of years ago: jump, swim, and watch all the living organisms beneath these fresh and clear waters.

Cenotes don't get affected by rain or seaweed, so they are always considered as the perfect plan.

All cenotes are totally different from each other and we'll spend around 30 minutes per cenote. Last but not least, we'll visit a beautiful cenote that will amaze you with tons of rock formations as stalactites and stalagmites.

Chichen Itza - Valladolid and Cenote

Chichen Itza, new wonder of the world, is the most important archaeological site of the Yucatan Peninsula and Mesoamerica. It's a unique experience! We will also visit the city of Valladolid, surrounded by colonial architecture, full of flavors, colors and traditions that enclose the great Mayan culture.

At the end of the tour, we will get the chance to see an impressive cenote.

FOR ALL AGES

Floating canals and Kaan Luum lagoon

In the Mayan language, Sian Ka'an means 'Origin of the Sky', located on the east coast of the Yucatan peninsula, this biosphere reserve contains tropical forests and mangroves. It provides a habitat for a remarkably rich flora and a fauna comprising more than 300 species of birds, here you will go on a ride through the gorgeous lagoons of Muyil

and Chunyaxché, an incredible floating experience in crystal clear water. Afterwards, we'll visit the beautiful lagoon of Kaan Luum. What makes this lagoon so special? The colors of the water (blue and green) and the big cenote just in the center.

Coba - Punta Laguna

The archeological site of Coba has the largest pyramid of the Yucatan Peninsula (138 feet tall). Unlike other Maya sites, you can still climb this one, if you dare! From the top the jungle looks like a living green carpet! Also, we will bike through the ancient Mayan city of Coba! At Punta Laguna we will explore The Spider Monkey Reserve and take part of

a Mayan ritual. This tour is for those who love outdoor activities. We will enjoy a canoe ride on the lagoon and a zip line to fly over it! Be careful of monkeys on the trees! We will end the tour relaxing and swimming in a cenote.
